
IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF UTAH

STATE OF UTAH,

Plaintiff,

v.

HAROLD OTTO BRYSON

Defendant.

**ORDER ADOPTING REPORT AND
RECOMMENDATION**

Case No. 2:15-mc-00890-JNP-EJF

Judge Jill N. Parrish

On December 16, 2015, Defendant Harold O. Bryson filed a Motion to Transfer State Criminal Case, seeking to remove his Utah state criminal prosecution to this court. (Docket 1). On August 19, 2016, Magistrate Judge Furse filed a Report & Recommendation. (Docket 8). Judge Furse's recommendation was that this case be remanded to state court because Mr. Bryson did not timely file his Notice of Removal and because the court lacks a statutory basis to exercise jurisdiction over Mr. Bryson's case. Judge Furse's Report and Recommendation provided that any objection to his recommendation was to be filed within fourteen days of service. The time to respond has now expired and the court has received no objections.

Based on the court's *de novo* review of the record, the relevant legal authorities, and Judge Furse's Report and Recommendation, the court concludes that the Report and

Recommendation is a correct application of the law and the facts. Accordingly, the court
ORDERS as follows:

1. The Recommendation (Docket 8) is ADOPTED IN FULL.
2. The case is hereby REMANDED to state court.

SO ORDERED this 7th day of September, 2016.

BY THE COURT:

JILL N. PARRISH
United States District Judge
